

Morgan Stanley

What Will You Create?

Finance Internship

Given the continued spread of COVID-19 (coronavirus), all interviews will be conducted by phone or virtual connection to protect our candidates and employees.

Location: Budapest office

Start date: Continuous

Contract: 20/30/40 hours-a-week contract (flexible)

Duration of program: 6-12 months, rotation opportunity within teams after 6 month

We offer:

- A supportive and vibrant **multinational environment** in an inspiring international team
- **Continuous development** opportunities
- Opportunity to participate in the firm's **networking events**
- Opportunity to **receive an offer** for internship extension/full-time role upon graduation
- Opportunity to complete the internship **remotely**

You will:

Support the major business units of the firm: **Institutional Securities Group, Wealth and Investment Management Finance**, as well as **Financial Planning and Analysis, Global Corporate Controllers, Valuation Control** and **Treasury**.

You Have:

- **Ongoing BSc (or above)** studies in Finance, Accounting, Business, Economics or similar
- Basic **Accounting** and **Financial** knowledge
- Good understanding of **financial products** (stock, bonds, derivatives)
- Confident knowledge of **Excel** (VBA programming knowledge is an advantage)
- Fluency in **English**, both verbal and written

Team Profile: The Finance Division reports to the Chief Financial Officer and consists of some 3,000 employees worldwide. Finance protects the Morgan Stanley franchise by serving as guardian of the Firm's books and records, and by contributing to Firmwide risk management and risk reduction. This division maintains relationships with Morgan Stanley's various industry and government regulators, and also serves as the conduit of financial information to the outside investment community. Finance plays a critical role as advisor to Morgan Stanley's various businesses and its senior management team.

About us: Morgan Stanley is a global financial services firm and a market leader in investment banking, securities, investment management and wealth management services.

At Morgan Stanley Budapest, we are shaping the future of our global business and contributing to our local community. Our team works across numerous areas, including Technology, Mathematical Modeling, Finance, Risk Management, Operations and Data & Analytics from our new state-of-the-art offices near the Danube and our City Gate office in the heart of the city center.

Application:

If you are interested in any of the above opportunities, please apply [here](#) by submitting your English CV.

Although application deadlines are in place, candidates are advised to apply early as we recruit on an ongoing basis

Interested in flexible working opportunities? Morgan Stanley empowers employees to have greater freedom of choice through flexible working arrangements. Speak to our recruitment team to find out more.

Morgan Stanley is an equal opportunities employer. We work to provide a supportive and inclusive environment where all individuals can maximise their full potential. Our skilled and creative workforce is comprised of individuals drawn from a broad cross section of the global communities in which we operate and who reflect a variety of backgrounds, talents, perspectives and experiences. Our strong commitment to a culture of inclusion is evident through our constant focus on recruiting, developing and advancing individuals based on their skills and talents
