Senior Speaker Session with Brandon von Feldt: Model Development at Morgan Stanley

Are you a university student interested in Model Development? Join us on **Tuesday, 18 June** at the **Senior Speaker Session with Brandon von Feldt: Model Development at Morgan Stanley**.

This in person event will give you an exclusive opportunity to:

- Meet **Brandon von Feldt**, Head of Forecasting Capabilities for Corporate Financial Planning & Analysis at Morgan Stanley.
- Learn more about the model development process through real examples based on various statistical and econometric applications.
- Network with experienced professionals and gain insights about career possibilities at Morgan Stanley.

Save the date, mark your calendar, and get ready for an enriching experience!

Seats are limited. To book your place register on the event page **until 16 June** by scanning the QR code.
